

Grant Program*	Purpose	Total Funding in IJA	FY 2022 Funding
Rebuilding American Infrastructure with Sustainability and Equity (RAISE) (Formerly BUILD/TIGER)	Funds planning and capital expenses of surface transportation projects of regional or local significance	\$7.5 billion	\$2.25 billion (FY22 total) (increased by \$775 million due to FY 22 appropriations)
MEGA Grants (National Infrastructure Project Assistance grants program)	Funds capital and planning for projects exceeding \$100 million	\$5 billion	\$1 billion
Infrastructure for Rebuilding America (INFRA) (Nationally Significant Multimodal Freight and Highways Projects grants program)	Funds capital and planning for multimodal freight and highway projects in urban areas	\$8 billion	\$1.55 billion
RURAL Grants (the Rural Surface Transportation Grant program)	Funds improvement and expansion of rural infrastructure to improve connectivity and promote economic growth	\$2 billion	\$300 million
Low or No Emission and Grants for Buses and Bus Facilities	Funds the purchase or lease buses and bus related equipment or build related facilities. Funding is also available for low or no emissions bus projects.	\$5.25 billion (Low-No) and \$1.97 billion (Bus and Bus Facilities)	\$1.176 billion (Low-No) \$545 million (Bus and Bus Facilities)
Port Infrastructure Development Grants	Funds development or capital activities to improve facilities within or related to ports related to safety, efficiency, or reliability	\$2 billion	\$684 million (increased by \$234 million due to FY 22 appropriations)
Charging and Fueling Infrastructure Grants	Funds acquisition, installation, and operation of electric vehicle charging and alternative fuel	\$2.5 billion	\$300 million

	infrastructure along specific corridors and in communities		
Reconnecting Communities Pilot Program	Addresses historic inequity in construction by providing funding for planning, design, demolition and reconstruction of physical barriers created by infrastructure	\$1 billion	\$195 million
Safe Streets and Roads for All	Funding to support projects that will significantly reduce fatalities and serious injury of all road users	\$5 billion	\$1 billion
Promoting Resilient Operations for Transformative, Efficient and Cost Savings Transportation (PROTECT) Grant	Funding for highways, transit, and port projects that makes infrastructure more resilient to future weather events and natural disasters	\$1.4 Billion	Est. \$280 million
Bridge Investment Program	Funding to help rehabilitate or replace bridges	\$12.2 billion	Est. \$2.44 billion
Consolidated Rail Infrastructure and Safety Improvements Grants	Funding for intercity passenger and freight rail	\$5 billion	\$1 billion
Railroad Crossing Elimination Program	Funding for rail grade crossing improvement projects that promote safety and mobility	\$3 billion	\$600 million
Strengthening Mobility and Revolutionizing Transportation (SMART) Grant Program	Funding for demonstration projects related to intelligent transportation systems and technology	\$500 million	\$100 million
